

Pneumatic Tyred Castor Single Wheel

- High speed applications (up to 10Kph)
- Multi-terrain operation capability
- Option for bespoke applications
- Incorporates reliability of WG swivel mechanism
- Brauer build quality assured
- Often adapted for towing applications

This new product further enhances the range of castors offered by Brauer designed to meet applications which have high load and speed requirements, such as freight handling and cargo dollies. The swivel and horn plates utilise our tried and tested WG castor range to give a reliable product with durability and strength.
